Urgent-

Dear Sir,

mcd 8-14- Sl. 27

Please refer to the rules for the grant of Sub Assistant Surgeon scholarships, issued with Government Order No. 13139-40/Med.250-12-7 dated 27-6-1914.

In the form of covenant to be executed by the scholarship holders, the so-called sureties had to affix their signatures more or less as witnesses. The question, whether by so ~~doin~~ signing, the sureties really become liable to make good the money in case the same could not be recovered from the principal, was referred to Government and the result was that another form of bond to be executed by the sureties was prescribed by Government in their order No. 4208-9 Med.250-12-8 dated 25-11-1914.

Will you kindly let me know whether the latter bond should also be on a stamp paper? If so, what is the value of the stamp. The amount to be shown in the bond is about Rs 800 or 900.

Yours sincerely,

Personal Asstt.. to the
Senior Surgeon.
